

EXPERIENCE THE EXCITEMENT OF ENGINEERING

ENGINEERING LINK PROJECT

*Are you in Year 11 or 12 and wanting an exciting, useful and meaningful career, using your love of STEM?
Want to meet like-minded people who share your passions?
You need to be at CQUniversity Rockhampton in June!*

The CQ Engineering Link Project is a two-day, hands-on engineering experience for Year 11 & 12 students.

Working with real engineers across a range of engineering disciplines, students will be presented with real engineering problems and in teams, will design and create solutions.

You don't want to miss this excellent opportunity to see if engineering is the career for you!

Engineering—Change the World for the Better!

Team up to solve hands-on engineering problems

Work with real engineers

Extend the maths and science you learn in school

*At first, I was unsure about choosing engineering as my future career path, however after experiencing the schools and disciplines of engineering, I found that it was a career path that I would like to pursue in the future.
(Anne-Marie)*

**CQUniversity
Rockhampton, Qld
June 26 & 27, 2017**
