

EXPERIENCE THE EXCITEMENT OF ENGINEERING

# ENGINEERING LINK PROJECT

*Are you in Year 10, 11 or 12 and wanting an exciting, useful and meaningful career, using your love of STEM?  
Want to meet like-minded people who share your passions?  
You need to be at James Cook University in July!*

*The NQ Engineering Link Project is a two-day, hands-on engineering experience for Year 10, 11 & 12 students.*

*Working with real engineers across a wide range of engineering disciplines, students will be presented with real engineering problems and in teams, will design and create solutions.*

*You don't want to miss this excellent opportunity to see if engineering is the career for you!*

*Engineering—Change the World for the Better!*

for more information:

Work in groups solving hands-on engineering problems

Work with real engineers

Extend the maths and science you learn in school

*At first, I was unsure about choosing engineering as my future career path, however after experiencing the schools and disciplines of engineering, I found that it was a career path that I would like to pursue in the future.  
(Anne-Marie)*
