2012 TOP SCORES - HIGH SCHOOL CATEGORY

The inaugural Thiess Spaghetti Bridge Competition saw 37 teams from 20 schools bring their best and brightest and some very innovative bridges to the competition.

First place went to a team of year 11 students from the Gold Coast's All Saints Anglican School. Their spaghetti bridge held up to a total load of 9.996 kilograms.

[Click here](#) to see a video of Thiess Managing Director Bruce Munro presenting the winning team their prize.

Second place went to "Team 1" from Bundamba State Secondary College whose bridge recorded a load of 9.430 kilograms.

Third place went to San Sisto College's "Piefect" team with their bridge taking a weight of 9.183 kilograms.
