

13 November 2008

Dear Parent / Guardian and Student,

The Engineering Link Group is proud to continue giving students reasons to study Mathematics and Science in the Senior School, as well as diversifying to allow students to find applications of their studies for different career paths. Since our inception in 1994 we have run over 40 courses with over 2500 students and teachers attending.

The **Enterprise Management Project (EMP)** caters for senior students who want to develop their skills in:

- Team dynamics and problem solving
- Management and leadership
- Marketing and Communication
- Venture Capitalisation
- Entrepreneurship
- Time Management

The Project is open to **all current Year 11 and 12 students**. While the Project uses Engineering as the basis for some of the activities, this should not discourage students wishing to pursue other careers from attending. In fact, students studying Business, Humanities or the Arts have all attended in the past, with glowing endorsements.

The EMP is endorsed by **Engineers Australia, Qld Division** and **Education Queensland**, and we are pleased to be associated with **Stanwell Corporation** (our major sponsor), and **Central Queensland University**.

The courses will be conducted by professionals and experts in their fields and we know through experience that students will be impressed with the quality of the presentations and activities. Students who attend the Enterprise Management Project have benefited from the experience and return to school *empowered* and *enthusiastic*, ready to begin their senior year (or University) with clear personal goals and objectives.

Basic Details of the course are:

When: Commences Sunday January 11 2009 at 3 pm and concludes on Thursday January 15 2009 at 12 pm.

Where: Capricornia College, Central Queensland University, Rockhampton, Qld.

How Much: \$320 (inc GST) – all meals, accommodation, materials, excursions, activities etc.

EARLY BIRD SPECIAL: Register by November 25, and pay only \$240!

Please check the website for payment options.

Registration: Application forms and information can be downloaded from <http://www.telg.com.au/EMP.htm> or phone 0400258938 to arrange for a package to be sent in the mail.

Closing Date: Saturday 6th December 2008

Travel subsidies are available for those who need assistance to get to Rockhampton. Details are in the enrolment package. Students are asked to be on site by 3 pm on Sunday 11th (dinner will be provided). All participants are asked to arrange transport away from Capricornia College on Thursday as there will be no supervision available on Thursday night (15th).

Students will receive confirmation of their enrolment in the course by email or SMS in the week commencing 9th December. A joining letter with specific information will be posted that week also.

If you have any questions, please don't hesitate to contact us. We look forward to meeting you in Rockhampton.

Yours sincerely,

Greg Millican
