

**NORTH QUEENSLAND
ENGINEERING LINK PROJECT
July 2009
BRIEF CAMP PROGRAM**

Monday 20th July

Students register at Combined Catholic Colleges (St Paul's College) (JCU) from 8.00 am – 9.00 am.
Breakfast is not provided (except those who stayed Sunday).
Engineering Module 1 (to be determined)

- Our Engineers will discuss their discipline, answer questions and pose a real life problem.
- The problem will then be solved in groups, with the solution designed on paper, then constructed, tested and evaluated.
- A report will be written after dinner.
- Tour of JCU Engineering Facilities (4 – 5 pm)

Free time after the project is finished in common room.

Tuesday 21st July

Engineering Module 2
Day officially commences at 9.00 am, and follows a similar format to Day 1. Relevant modules will go on a site visit.
Tour of JCU Engineering Facilities (4 – 5 pm)
Evening Activity.

Wednesday 22nd July

Engineering Module 3
Similar format to Day 1.
Presentation Ceremony – 4 pm at the School of Engineering.
Parents can pick students up at 5 pm at St Paul's College.
Bus to North will depart at 5 pm.

**WHAT TO BRING TO THE ELP.
July 2009**

PERSONAL

Toiletries and towel
towel
enough clothes for four days
warm clothes (if necessary)
closed-in shoes (e.g. joggers) - essential
sleeping clothes
hat and sunscreen
insect repellent
thongs (for showers)
pillow
(basic bedding is supplied by St Paul's College)

OTHER

paper, pens / pencils, calculator, drawing set (not essential, but may be useful) etc.
backpack to carry personal equipment across to the University.

Students are asked that if they bring personal MP3 players, stereos, computer games or mobile phones, then please ensure they are turned off during sessions. They are also the students' responsibility – TELG, St Paul's or JCU takes no responsibility if they go missing.

Please inform the Directors of the Camp of *any* medication you have to take upon our arrival at the campsite.

Students are reminded that there is to be *no* smoking, alcohol or other drugs on this camp.
